OBJECTIVE

I am Saikot Chandra Bormon, a student of Computer Science and Technology (CST) at Kurigram Polytechnic Institute. My objective is to build a dynamic career in the field of IT, where I can apply my technical knowledge, problem-solving skills, and creativity to develop innovative solutions. I aim to work in a challenging environment that promotes growth, learning, and real-world experience in the technology sector.

EDUCATION

May 2021 → Dec 2025

KURIGRAM POLYTECHNIC INSTITUTE
